### **AMERICA'S TOP 10 YOUTH VOLUNTEERS NAMED WATCH AND LISTEN TO THEIR STORIES**

For their extraordinary efforts in serving others through volunteerism, ten middle and high school students were named this week America's top ten youth volunteers for 2011 as part of the Prudential Spirit of Community Awards. Visit <http://www.newsinfusion.com/events/prudential> to access video and audio interviews with this year's winners, as well as all the state honorees.

The top two youth volunteers from every state and Washington, D.C. took part this week in a four-day celebration where they also received personal congratulations from Academy Award-winning actress Susan Sarandon (see site photos).

The Prudential Spirit of Community Awards represent the United States' largest youth recognition program based exclusively on volunteer community service. The awards were created in 1995 by Prudential in partnership with the National Association of Secondary School Principals to honor middle and high school students at the local, state and national level for outstanding service to others.
